Yugo patriots, V. became Asst to the notorious Kosta MUSICKI, and the Comdt. of the quisling Serbian Volunteer Corps, which fought on the German side against the patriots & also terrorized the civil population. At the same time V also assisted the enemy materially by trading with the Germans and delivering, in two barges on the Danube, great quantities of building material, especially timber, for the German army. The two barges, "Mirjana" and "Jordan" were discovered on the Danube near Vienna. V was also a member of the Gestapo. In these activities he was closely connected with the German spy and Gestapo agent (Mise) Marion BANDERER, who, among other things, also established contact between V and the well-known Gestapo agent SKORZENY, the liberator of MUSSOLINI. By his activities for the Gestapo, V gained such confidence of the Gestapo that he was put into direct contact with the German Intelligence Service Branch "Asst" at Budapest and later transferred to Vienna where he was in direct communication with the Hq. of HIMMLER. As a member of the Gestapo, V denounced many Yugo patriots and is responsible for their ill-treatment and death.
